SUMMARY OF ORDER				ORDER TOTAL \$6,000.37	
------------------	--	--	--	------------------------	--

#	Part details (Prototype)	Production region	Qty	Unit price	Subtotal
1	[Rev 1] aluminum_plate.step Aluminum Plate Hole Call Out.pdf CNC, 6061 Aluminum (T6 / T651 / T6511), No finish (As machined) - ISO Grade N7: Ra 1.6µm / 63µin) 1 DFM warnings (See details below)	Overseas	8	\$208.24	\$1,665.92
2	[Rev 1] tubesheet_retainer_plate.step Tubesheet Retainer Plate Threaded Hole Callout.pdf CNC, 6061 Aluminum (T6 / T651 / T6511), No finish (As machined) - ISO Grade N7: Ra 1.6µm / 63µin)	Overseas	4	\$171.78	\$687.12
3	[Rev 1] super_heater_tubesheet_retainer_plate.step Superheater Tubesheet Retainer Plate Threaded Hole Callout.pdf CNC, 6061 Aluminum (T6 / T651 / T6511), No finish (As machined) - ISO Grade N7: Ra 1.6µm / 63µin)	Overseas	4	\$163.31	\$653.24
4	[Rev 1] superheater_aluminum_plate.step Superheater Aluminum Plate Hole Call Out.pdf CNC, 6061 Aluminum (T6 / T651 / T6511), No finish (As machined) - ISO Grade N7: Ra 1.6µm / 63µin) 1 DFM warnings (See details below)	Overseas	8	\$192.61	\$1,540.88

Notes

[1] Order by 3 PM PST on Apr 27, 2026 to ship your parts by May 7, 2026. Parts ship together at the slowest production speed in your quote.
[2] Customs clearance information is required for shipments across country borders.

Part production	\$4,547.16
Shipping (No tariffs apply) [2] (International)	\$1,453.21
Tax (Tax exempt)	\$0.00
Order Total	\$6,000.37

DFM FEEDBACK

[Rev 1] aluminum_plate.step (1 DFM warnings)

- **Certain features may be manually cut/drilled due to size** - Features on this surface may be cut/drilled manually due to reachability constraints, which may impact tolerances and positioning.

[Rev 1] superheater_aluminum_plate.step (1 DFM warnings)

- **Certain features may be manually cut/drilled due to size** - Features on this surface may be cut/drilled manually due to reachability constraints, which may impact tolerances and positioning.

TERMS AND CONDITIONS

1. **Terms of Sale:** The Terms and Conditions of Sale outlined on Fictiv’s website (<https://www.fictiv.com/terms>) govern all sales made by Fictiv for any products or services, and supersede any terms or conditions on Customer-provided Purchase Order (“PO”), or other form document exchanged between the parties. The price and delivery commitments made by Fictiv are conditioned upon Customer’s acceptance of Fictiv’s Terms and Conditions of Sale. Accordingly, Customer acknowledges and agrees that Fictiv accepts Customer’s PO on the express condition that Fictiv’s Terms and Conditions of Sale apply to the transaction, and any terms or conditions on Customer’s PO, other than description of the Product or Service, and their quantity, price and delivery date, are deemed rejected and are to be ignored unless the identical terms describing the product, service or the performance related thereto appear on this Quote.

2. **Shipping Terms (Incoterms):** Fictiv will use commercially reasonable efforts to deliver the Product on or before the Delivery Date specified in the Order. Methods of delivery may be by: (a) courier, or (b) one-day shipping. Unless delivery is modified as set forth below, all Products will be delivered or mailed in accordance with the shipping account you select at checkout (i.e. customer’s account or Fictiv’s account). If you select your own account, your order will be shipped Ex-Works (EXW) (Incoterms® 2020) with you being responsible for foreign inland freight and any and all costs associated with getting the merchandise from the place of production to the United States, including duties, taxes, and fees associated with the importation of the merchandise into the United States. Fictiv shall not be liable for any costs, expenses or damages incurred as a result of any Force Majeure Event, including any delay caused by the shipper or any other cause beyond Fictiv’s reasonable control. Additional fees may apply for any alternate shipping methods and/or shipping insurance. Fictiv will give you notice if the Product cannot be shipped by the Delivery Date. Such

TERMS AND CONDITIONS

notice shall specify a new Delivery Date.

If you opt to use Fictiv's shipping account and prepay the duties, taxes, and fees, the Order will be shipped Delivery Duty Paid (DDP) and Fictiv will serve as the U.S. Importer of Record (IOR). As such, Fictiv will be responsible for the importation of the goods into the United States, including payment of all duties, taxes, and fees, clearance through U.S. Customs and Border Protection (CBP), and final delivery to the U.S. destination specified in the Order.

Regardless of the Incoterm employed, title to and risk of loss for the goods shall pass from Fictiv to you prior to the goods' arrival at the first port of entry in the United States (or crossing into the territorial limits of the United States) and prior to entry or admission into the U.S. stream of commerce. For the avoidance of doubt, for any air freight shipments, title to and risk of loss for the goods shall likewise pass from Fictiv to you prior to the goods' arrival at the first U.S. airport of entry, and before the goods are formally entered or admitted into the U.S. stream of commerce. The Parties expressly agree that in all cases, the sale of goods shall be deemed to have completed prior to entry, irrespective of the mode of transportation or Incoterm employed, including but not limited to ocean, air freight, or any other method of transportation mutually agreed upon by the Parties.

You agree to promptly provide any and all relevant customs documentation information and descriptions, including Harmonized Tariff Schedule (HTS) designations, end buyer, destination, parts description(s) and intended use of goods information as required by CBP, when placing your Order on the Platform or upon Fictiv's request.

For non- DDP Orders, Fictiv will not serve as the IOR, and Customer shall be solely and exclusively liable for any and all consequences related to providing (or failing to provide) CBP with sufficient information to compliantly process your entry, including compliance with U.S. laws and regulations. You shall be solely and exclusively liable for any and all consequences and liabilities related to providing (or failing to provide) such information to Fictiv or CBP (as applicable).

3. Lead Time: Lead time is defined as production days following submission of both approved payment method and designs adhering to Fictiv's design for manufacturability feedback, which may be provided to the customer after the quotation.

4. Engineering Change Orders: Any changes to the quote in material, quantity, part design, or engineering drawing will require Fictiv to assess the cost and lead time impact of the customer's desired changes and will correspondingly require a new request for quote.

5. End Use / Application: Unless otherwise agreed upon with Fictiv in writing prior to placing an order, any components to be manufactured through Fictiv are for R&D use only (bench testing / up to DVT). Not for use in clinical trials or human contact. Not for use in end-use parts to be sold or distributed to consumers. Not for use in the manufacture of other equipment or products.

6. Tolerance Standard: For parts requiring tolerances tighter than our ISO 2768 medium standard, a drawing with tolerance specifications must be uploaded and associated with the part in the quotation.

7. Tariffs: All costs, taxes, duties, tariffs and charges related to fulfilling any Order, even in situations in which Fictiv serves as the IOR with CBP, shall ultimately be paid by you, unless otherwise agreed to by Fictiv in writing or unless impermissible under U.S. law, including value added taxes, duties, tariffs, or other governmental or regulatory charges in any country resulting from the performance of the Services, except for taxes related to Fictiv's income for which Fictiv is directly responsible. Prices quoted on a non-EXW basis include Fictiv's fee for acting as IOR, which includes the payment of tariffs and customs duties in effect as of the date of quotation (the "IOR Fee"). You acknowledge that the IOR Fee may be subject to change at the time of importation due to changes in tariffs or duties, and that Fictiv reserves the right to pass on any increases in the IOR Fee to you.
